

Fourth Eleven

The fourth eleven were unable to avoid relegation from Division C after a final day winner takes all defeat to Cookridge B. Despite skipper Kash Malik's efforts the 4s will be playing D Division Cricket in 2012.

Fifth Eleven

The fifth eleven were always able to field a full side and under the leadership of Simon Heginbotham (before injury) and Don Butterfield were mainly competitive despite a low finish.

Twenty 20

The Twenty 20 side surpassed all expectations by going deep into the competition before going out to Cleckheaton in the floodlit Semi Finals. With a side mainly containing second team players a thrilling victory over a strong Bradford & Bingley side confirmed our place in the Quarter Finals before a comfortable victory at Morley. Well done to everyone who took part.

Juniors

The Junior sides despite not having the best of seasons developed throughout the season with the likes of Robbie Duke, Kane Whittal, Danny Hunt and Elliot Turner not only contributing well but also representing the Senior sides on occasions.
