

## 2nd Team 2012

Three pivotal players have all decided to move on to pastures new next season. Captain Ross Todd, wicket keeper Darren Wilson and pace bowler Brett Kinsey have all made the decision to leave the club following huge success during their time with the club. We wish all 3 the best of the luck at their new clubs.

This leaves the 2s looking for a new captain as we look to rebuild for next season and beyond. As it stands no replacement has yet been confirmed but hope to have this resolved in the coming weeks.

**The 2s will be without many of the side that took them to the Division 1 title in 2010 next season**
